

2nd MHS COFFEE HOUSE

Featuring MHS Students and Faculty!

Fundraiser to benefit the Brooks' World Travels Program to London over April Vacation

Brooks Singer was a member of the class of 2005 at Marshfield High School.

As a student, Brooks was curious, ambitious, well-known and respected by teachers and students from all walks of life.

In memory of Brooks' love of life, travel, adventure, discovery, and meeting people from all over the world, an annual weeklong trip for up to twenty students has been dedicated. This annual trip will take place during the school year. Not only do we wish to keep the memory of Brooks' spirit alive, but as Brooks would have wanted, we want to enable Marshfield students to have the same opportunity to experience other cultures, learn about our planet's great diversity and still recognize how much we all have in common.

Brooks also had a passion for music and the arts. His gregarious personality enabled him to join in with a group of local musicians down in Peru without inhibition. This was typical Brooks' behavior. Brooks would relish the opportunity to attend this coffee house where he would have the opportunity to listen to the great amount of talent within this student body.

So sit back, relax, buy some goodies, and get ready to be blown away by the huge amount of artistic talent here at MHS! Thanks for coming!
